

RIVER BASIN
MANAGEMENT
& TRANSPARENCY

PUBLIC ANNOUNCEMENT

For CSO's participants of the project River Basin Management & Transparency **WORKING GROUP**

EuropeAid/155863/DH/ACT/AL

Timeframe: December 2018 —October 2020

Application deadline: 13th December 2018

BACKGROUND

- The **overall objective** of the RBMT (River Basin Management & Transparency) project is to strengthen CSOs capacities for involvement in the process of development of River Basin Management plans in Albania and to contribute towards wider public support of RBM Plans. The overall objective will be accomplished through achieving the following **specific objectives**:
- strengthening CSO's capacities to increase their influence in the working process and outcomes of RBM plans in all stages of RBMP development and implementation;
- strengthening CSOs capacities for involvement in characterization of the River Basin Districts in Albania in particular for data collection, information and experiences sharing, identification of conflicts and establishing common understanding as well as for active involvement in development of the Programme of Measures;
- supporting CSO's advocacy work for improving public participation, information exchange, consultation, decision-making, creation of awareness and promotion of

This project is funded by the European Union

The project is implemented by Milieukontakt Macedonia, ICID and IECE

**RIVER BASIN
MANAGEMENT
& TRANSPARENCY**

- environmental issues related to development, update and implementation of RBM plans; and
- raising public awareness related to the key environmental issues and problems that affect the aquatic environment and to promote new ways to address them.
